If the Member is referred by the Network Provider to another Network or Non-Network Provider for additional services including, but not limited to, laboratory or diagnostic services, the applicable Network or Non-Network Deductible will apply, dependent upon the place of treatment. Network Co-payment amounts do not accrue toward the Network Deductible Amounts but do accrue to the Out-of-Pocket Maximum.

The Member must satisfy the Network Medical Deductible and Prescription Drug Deductible prior to Benefits being paid for Covered Services rendered by a Network Provider.

The Member must satisfy the Non-Network Medical Deductible prior to Benefits being paid for Covered Services rendered by a Non-Network Provider.

Allowable for Covered Services rendered by a Non-Network Provider will not be paid at 100% of the Allowable after the Out-of-pocket has been satisfied.

Blue Primary Care Home

Through a Blue Primary Care Home, the Member will establish a relationship with their Blue Primary Care Network Provider who will provide coordinated and continuing care. The Member should designate a Blue Primary Care Network Provider located and practicing in Mississippi who is accepting patients and who will provide their *Healthy You!* visit and Color Me Healthy! Covered Services, if applicable. If the Member does not designate a Blue Primary Care Network Provider, the Company may designate one for the Member. The Blue Primary Care Home extends to our youngest Members, ages 0 through 17 years, with care provided through a Pediatric Blue Primary Care Home.

Members who reside outside of Mississippi should select a Primary Care Home Network Provider located and practicing in their state of residence, where available.

Referral by a Blue Primary Care Network Provider is not needed for obstetrical or gynecological care by a Network Provider specializing in obstetrics or gynecology. However, the obstetrician/gynecologist may be required to comply with certain procedures, including obtaining Prior Authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals.

For information on how to select a Blue Primary Care Network Provider, and for a list of Blue Primary Care Network Providers, please use the Network Provider search tool located on Company's website at www.bcbsms.com or contact our Customer Service Team at 601-664-4590 or 800-942-0278.
