1 Introduction: BlueCard® Program Makes Filing Claims Easy

As a participating provider of Blue Cross & Blue Shield of Mississippi you may render services to patients who are National Account members of other Blue Cross and Blue Shield Plans, and who travel or live in Mississippi.

This manual describes the advantages of the program and provides information to make filing claims easy. This manual offers helpful information about:

- Identifying members
- Verifying eligibility
- Obtaining pre-certifications/pre-authorizations
- Filing claims
- Who to contact with questions

2 What is the BlueCard® Program?

2.1 Definition

BlueCard® is a national program that enables members of one BCBS Plan to obtain healthcare service benefits while traveling or living in another BCBS Plan's service area. The program links participating healthcare providers with the independent BCBS Plans across the country and in more than 200 countries and territories worldwide through a single electronic network for claims processing and reimbursement.

The program lets you submit claims for patients from other BCBS Plans, domestic and international, to your local BCBS Plan.

Your local BCBS Plan is your sole contact for claims payment, adjustments and issue resolution.

2.2 BlueCard® Program Advantages to Providers

The BlueCard® Program lets you conveniently submit claims for members from other BCBS Plans, including international BCBS Plans, directly to Blue Cross & Blue Shield of Mississippi. Blue Cross & Blue Shield of Mississippi will be your only point of contact for your claims-related questions.

Working together, we can ensure your patients will have a positive experience at each visit.

2.3 Products included in BlueCard®

- A variety of products and claim types are eligible for delivery via BlueCard®, however not all BCBS Plans offer all of these products to their members. Currently Blue Cross & Blue Shield of Mississippi offers products indicated by the asterisk below, however you may see members from other BCBS Plans who are enrolled in the other products:
- Traditional (indemnity insurance)*
- PPO (Preferred Provider Organization)*
- EPO (Exclusive Provider Organization), including Blue High Performance Network® (BlueHPN®)
- POS (Point of Service)
- Blue Cross Blue Shield Global® Core claims
- International Products/International BCBS Licensees (GeoBlue/BCBS Global, Bupa/BCBS Global, BCBS Uruguay, BCBS Panama, and Canadian Blue Cross Travel products)
- Standalone vision
- Standalone prescription drugs

2.4 Products Excluded from the BlueCard® Program

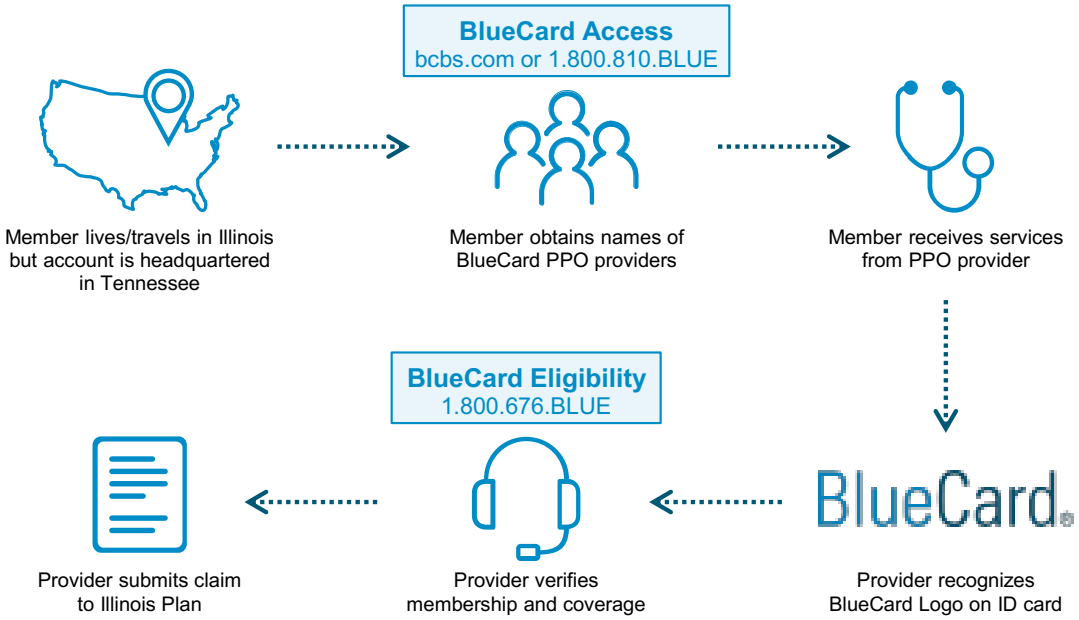

The following claims are excluded from the BlueCard® Program:

- Stand-alone dental
- Vision products delivered through an intermediary model (using a vendor)
- Self-administered prescription drug products delivered through an intermediary model (using a vendor)
- Medicaid and SCHIP products that are part of a state's Medicaid program
- Medicare Advantage*
- The Federal Employee Program (FEP)
- Please follow Blue Cross & Blue Shield of Mississippi billing guidelines.

*Medicare Advantage is a separate program from BlueCard® and delivered through its own centrally administered platform.

How the BlueCard® Program Works

In the example above, suppose a member has PPO coverage through BlueCross BlueShield of Tennessee. There are two scenarios where that member might need to see a provider in another Plan's service area, in this example, Illinois:

1) If the member was traveling in Illinois, or

2) If the member resided in Illinois and had employer-provided coverage through BlueCross BlueShield of Tennessee.

In either scenario, the member can obtain the names and contact information for BlueCard® PPO providers in Illinois by calling BlueCard® Access at 1.800.810.BLUE (2583). The member also can obtain information on the Internet, using the National Doctor and Hospital Finder available at www.bcbs.com.

Note: Members are not obligated to identify participating providers through either of these methods, but it is their responsibility to go to a PPO provider if they want to access PPO in-network benefits.

When the member makes an appointment and/or sees an Illinois BlueCard® PPO provider, the provider may verify the member's eligibility and coverage information via BlueCard® Eligibility at 1.800.676.BLUE (2583). The provider may also obtain this information via a HIPAA electronic eligibility transaction if the provider has established electronic connections for such transactions with the local Plan, Blue Cross and Blue Shield of Illinois.

After rendering services, the provider in Illinois files a claim locally with Blue Cross and Blue Shield of Illinois. Blue Cross and Blue Shield of Illinois forwards the claim to BlueCross BlueShield of Tennessee that adjudicates the claim according to the member's benefits and the provider's arrangement with the Illinois Plan. When the claim is finalized, the Tennessee Plan issues an explanation of benefit (EOB) to the member, and the Illinois Plan issues the explanation of payment, or remittance advice, to its provider and pays the provider.

2.5 How to Identify Members

2.5.1 Member ID Cards

When members of BCBS Plans arrive at your office or facility, be sure to ask them for their current BCBS Plan membership identification card or access their current identification care electronically via the Blue Plan's portal.

The main identifier for out-of-area members is the prefix. The ID cards may also have:

- PPO in a suitcase logo, for eligible EPO/PPO members
- PPOB in a suitcase logo, for PPO members with access to the BlueCard® PPO Basic network
- Blank suitcase logo
- BlueHPN in a suitcase logo with the Blue High Performance Network® (BlueHPN®) name in the upper right or lower left corner, for BlueHPN EPO members

Important facts concerning member IDs:

- A correct member ID number includes the prefix (three alpha/alphanumeric characters at the beginning of the member's ID number) and all subsequent characters, up to 17 positions total. This means that you may see cards with ID numbers between 6 and 14 numbers/letters following the prefix.
- Examples of prefix ID numbers:
  - ABC 1234567
  - ABC 1234H567
  - ABC 12345678901234
- Do not add/delete characters or numbers within the member ID.
- Do not change the sequence of the characters following the prefix.
- The prefix is critical for the electronic routing of specific HIPAA transactions to the appropriate BCBS Plan.
- Members who are part of the FEP will have the letter "R" in front of their member ID number.

As a provider servicing out-of-area members, you may find the following tips helpful:

- Ask the member for the most current ID card at every visit. Since new ID cards may be issued to members throughout the year, this will ensure you have the most up-to-date information in the member's file.
- Make copies of the front and back of the member's ID card and pass this key information on to your billing staff.

  Remember that member ID numbers must be reported exactly as shown on the ID card and must not be changed or altered. Do not add or omit any characters from the member ID numbers.

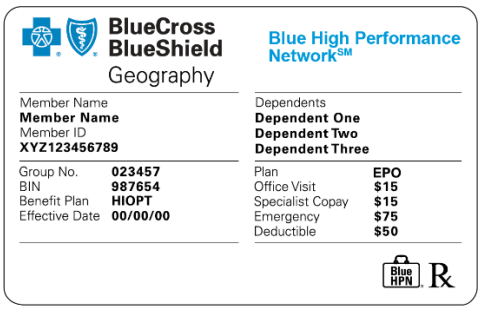

© Blue Cross and Blue Shield Association

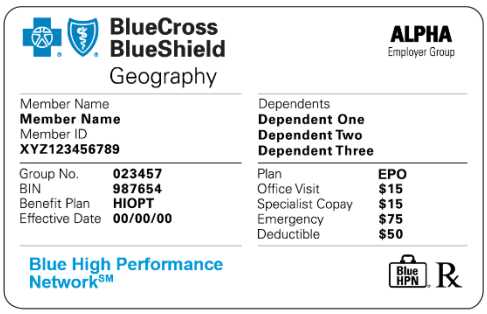

The prefix, three alpha/alphanumeric characters at the beginning of the member's ID number, is the key element used to identify and correctly route claims between BCBS Plans. The prefix identifies the BCBS Plan or National Account to which the member belongs. It is critical for confirming a patient's membership and coverage.

To ensure accurate claim processing, it is critical to capture all ID card data. If the information is not captured correctly, you may experience a delay with claim processing.

- Do not make up prefixes.
- Do not assume that the member's ID number is the social security number. All BCBS Plans replaced Social Security numbers on member ID cards with an alternate, unique identifier.

Sample ID Cards

BlueCard® ID cards have a suitcase logo, it may be an empty suitcase, a PPO in a suitcase or a BlueHPN in a suitcase.

The PPO in a suitcase logo indicates that the member is enrolled in either a PPO product or an EPO product. In either case, you will be reimbursed according to your Blue Cross & Blue Shield of Mississippi Network Provider Agreement.

Providers will be reimbursed for covered services in accordance with your Network Provider Agreement with Blue Cross & Blue Shield of Mississippi.

The empty suitcase logo indicates that the member is enrolled in one of the following products: Traditional, HMO or POS. For members with traditional or HMO coverage, you will be reimbursed according to your Network Provider Agreement.

Some BCBS ID cards don't have any suitcase logo on them. ID cards for Medicaid, State Children's Health Insurance Programs (SCHIP) if administered as part of the state's Medicaid program, and Medicare Complementary and Supplemental products, also known as Medigap. Government-determined reimbursement levels apply to these products. While Blue Cross & Blue Shield of Mississippi routes all of these claims for out-of-area members to the member's BCBS Plan, most of the Medicare Complementary or Medigap claims are sent directly from the Medicare intermediary to the member's BCBS Plan via the established electronic crossover process.

2.6 How to Identify BlueCard® BlueHPN Members

Blue High Performance Network® (BlueHPN®) is a narrow network that is available to members that live in key metropolitan areas. BlueHPN members must access BlueHPN providers to receive full benefits. If you are a BlueHPN provider, you will be reimbursed for services provided to BlueHPN members according to the BlueHPN contract with the Blue Cross & Blue Shield of Mississippi. If you are not a BlueHPN provider, it's important to note that benefits for services incurred with non-BlueHPN providers are limited to emergent care within BlueHPN product areas, and to urgent and emergent care outside of BlueHPN product areas.

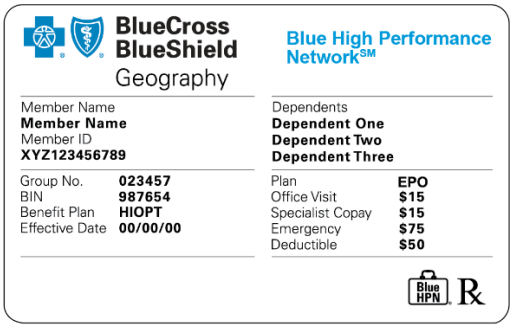

You can recognize BlueHPN members by the following:

- The Blue High Performance Network name on the front of the member ID card.
- The BlueHPN in a suitcase logo in the bottom right-hand corner of the member ID card.

Language regarding benefit limitations is also included on the back of the BlueHPN EPO member ID card. For these limited benefits, if you are not a BlueHPN provider but are a PPO provider, you will be reimbursed according to your Blue Cross & Blue Shield of Mississippi Network Provider Agreement.

2.7 How to Identify and File Claims for International Members

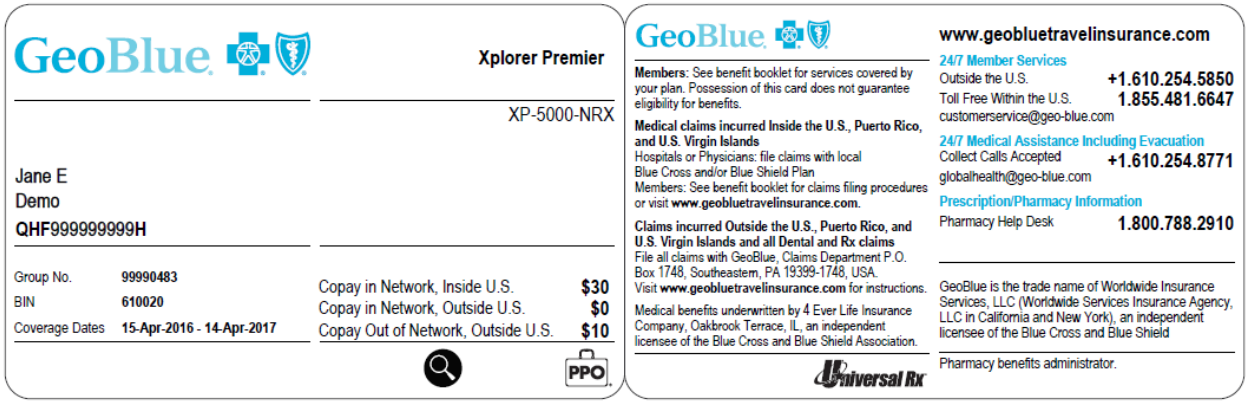

Occasionally, you may see member ID cards that are from members of International Licensees or that are for international-based products. Currently, those Licensees include BlueCross & BlueShield of Uruguay and Blue Cross and Blue Shield of Panama. Additionally, Blue Cross Blue Shield international products include those provided through GeoBlue and the Blue Cross Blue Shield Global™ portfolio; however, if in doubt, always check with Blue Cross & Blue Shield of Mississippi as the list of International Licensees and products may change. ID cards from these Licensees and for these products will also contain the prefix (three alpha/alphanumeric characters, at the beginning of the member's ID number) and may or may not have one of the benefit product logos referenced in the following sections. Please treat these members the same as you would domestic BCBS Plan members (e.g., do not collect any payment from the member beyond cost-sharing amounts such as deductible, coinsurance and co-payment) and file their claims to Blue Cross & Blue Shield of Mississippi. See below for sample ID cards for international members and products.

Please note that in certain territories Blue Cross branded products are not available. The ID cards of members in these territories will display the Blue Shield Global logo (see example below):

Canadian ID Cards

Please note that the Canadian Association of Blue Cross plans and its member plans are separate and distinct from the Blue Cross and Blue Shield Association (BCBSA) and its member Plans in the United States.

You may occasionally see ID cards for people who are covered by a Canadian Blue Cross plan. Claims for Canadian Blue Cross plan members are not processed through the BlueCard® Program.

Please follow the instructions of the Blue Cross Plans in Canada and those, if any, on the ID cards for servicing their members. The Blue Cross Plans in Canada are:

Alberta Blue Cross	Ontario Blue Cross	Quebec Blue Cross
Manitoba Blue Cross	Pacific Blue Cross	Saskatchewan Blue Cross
Medavie Blue Cross

2.8 Consumer Directed Healthcare and Healthcare Debit Cards

Members who have Consumer-Directed Healthcare (CDHC) plans often have healthcare debit cards that allow them to pay for out-of-pocket costs using funds from their Health Reimbursement Arrangement (HRA), Health Savings Account (HSA) or Flexible Spending Account (FSA). All three are types of tax favored accounts offered by the member's employer to pay for eligible expenses not covered by the health plan.

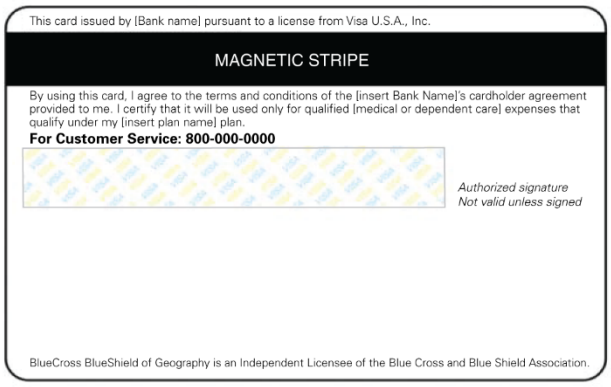

Some cards are "standalone" debit cards that cover eligible out-of-pocket costs, while others also serve as a health plan member ID card. These debit cards can help you simplify your administration process and can potentially help:

1. Reduce bad debt
2. Reduce paperwork for billing statements
3. Minimize bookkeeping and patient account functions for handling cash and checks
4. Avoid unnecessary claim payment delays

In some cases, the card will display the Blue Cross and Blue Shield trademarks, along with the logo from a major debit card such as MasterCard® or Visa®.

Below is a sample stand-alone healthcare debit card:

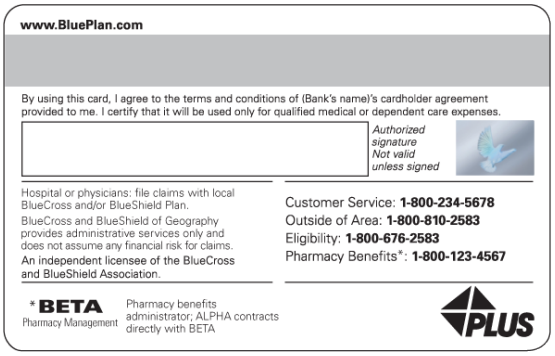

© Blue Cross and Blue Shield Association

Below is a sample combined healthcare debit card and member ID card:

The cards include a magnetic strip allowing providers to swipe the card to collect the member's cost-sharing amount (i.e., copayment). With healthcare debit cards, members can pay for copayments and other out-of-pocket expenses by swiping the card though any debit card swipe terminal. The funds will be deducted automatically from the member's appropriate HRA, HSA or FSA account.

2.9 Limited Benefits Products

Verifying BCBS patients' benefits and eligibility is important, now more than ever since new products and benefit types entered the market. Patients who have traditional, PPO, HMO, POS, or other coverage, typically with high lifetime coverage limits i.e. ($1 million or more), may have annual benefits limited to $50,000 or less.

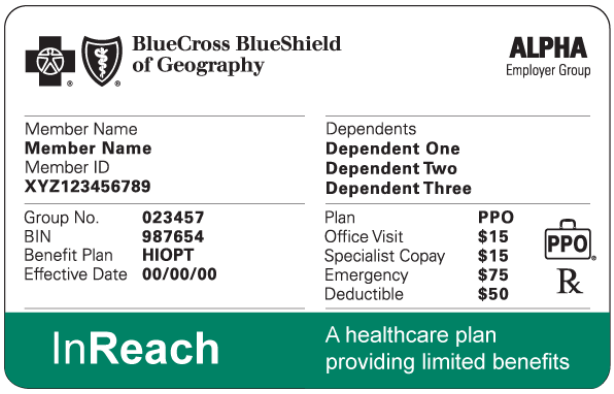

Currently Blue Cross & Blue Shield of Mississippi offers such limited benefit plans to our members, and you may also see patients with other limited benefits who are covered by another BCBS Plan.

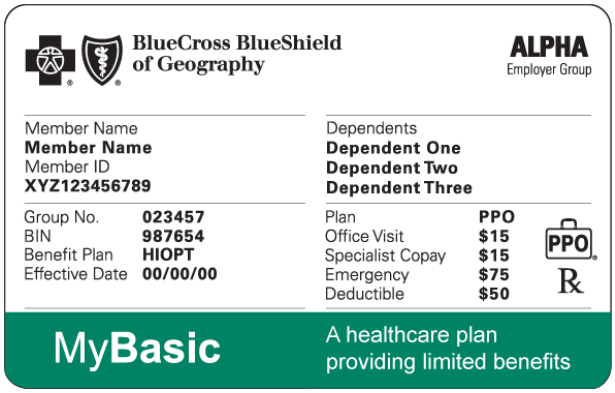

2.9.1 How to recognize members with limited benefits products?

Members with limited benefits coverage (that is, annual benefits limited to $50,000 or less) carry ID cards that may have one or more of the following indicators:

- Product name will be listed such as **InReach** or **MyBasic**
- A **green stripe** at the bottom of the card
- A statement either on the front or the back of the ID card stating this is a limited benefits product
- A **black cross and/or shield** to help differentiate it from other identification card

These ID cards may look like this:

How to find out if the patient has limited benefit coverage?

In addition to obtaining a copy of the patient's ID card, and regardless of the benefit product type, we recommend that you verify patient's benefits and eligibility

You may do so electronically by submitting HIPAA 270 eligibility inquiry to Blue Cross & Blue Shield of Mississippi at www.bcbsms.com, via an Electronic Data Interchange (EDI) transaction, or you may call 800-257-5825 and BlueCard® Eligibility at 1.800.676.BLUE (2583) for out-of-area members.

Tips:

- In addition to obtaining a copy of the member's ID card, regardless of the benefit product type, always verify eligibility and benefits electronically with Blue Cross & Blue Shield of Mississippi or by

© Blue Cross and Blue Shield Association

calling BlueCard® Eligibility at1.800.676.BLUE (2583). You will receive the member's accumulated benefits to help you understand his/her remaining benefits.

- If the cost of service extends beyond the member's benefit coverage limit, please inform your patient of any additional liability he/she might have.
- If you have questions regarding a BCBS Plan's limited benefits ID card/product, please contact Blue Cross & Blue Shield of Mississippi.

What should I do if the patient's benefits are exhausted before the end of their treatment?

Annual benefit limits should be handled in the same manner as any other limits on the medical coverage. Any services beyond the covered amounts or the number of treatments are the member's liability.

Who do I contact if I have additional questions about Limited Benefit Plans?

If you have any questions regarding Blue Cross & Blue Shield of Mississippi or any other BCBS Plans' Limited Benefits products, contact Blue Cross & Blue Shield of Mississippi at 800-257-5825.

2.9.2 Reference Based Benefits

With health care costs increasing, Plans have begun to introduce Reference Based Benefits, which limit certain (or specific) benefits to a dollar amount that incents members to actively shop for health care for those services.

The goal of Reference Based Benefits is to have members engage in their health choices by giving them an incentive to shop for cost effective providers and facilities. Reference Based Benefit designs hold the member responsible for any expenses above a calculated "reference cost" ceiling for a single episode of service. Due to the possibility of increased member cost sharing, Reference Based Benefits will incent members to use Plan transparency tools, such as the National Consumer Cost Tool (NCCT), to search for and identify services that can be performed at cost effective providers and/or facilities that charge at or below the reference cost ceiling.

© Blue Cross and Blue Shield Association

How does Reference Based Benefits work?

Reference Based Benefits are a new benefit feature where the Plan will pay up to a pre-determined amount for specific procedures called a “Reference Cost.” If the allowed amount exceeds the reference cost, that excess amount becomes the members’ responsibility.

How are Reference Costs Established?

The reference costs are established for an episode of care based on claims data received by Blue Cross & Blue Shield of Mississippi from providers in your area.

How will I get paid?

Reference Based Benefits will not modify the current contracting amount agreed on between you and Blue Cross & Blue Shield of Mississippi. Providers can expect to receive their contract rate on all procedures where Reference Based Benefits apply.

Example 1: If a member has a reference cost of $500 for an MRI of the spine and the allowable amount is $700, then Blue Cross & Blue Shield of Mississippi will pay up to the $500 for the procedure and the member is responsible for the $200.

Example 2: If a member has a reference cost ceiling of $600 for a CT scan of the Head/Brain and allowable amount is $400, then Blue Cross & Blue Shield of Mississippi will pay up to the $400 for the procedure.

How much will the member be responsible for out-of-pocket?

When Reference Based Benefits are applied and the cost of the services rendered is less than the reference cost ceiling, then Blue Cross & Blue Shield of Mississippi will pay eligible benefits as it has in the past; while the member continues to pay their standard cost sharing amounts in the forms of: co-insurance, co-pay, or deductible as normal.

If the cost of the services rendered exceeds the reference cost ceiling, then Blue Cross & Blue Shield of Mississippi will pay benefits up to that reference cost ceiling, while the member continues to pay their standard cost sharing amounts in the forms of: co-insurance, co-pay, or deductible; as well as any amount above the reference cost ceiling up to the contractual amount.

How will I be able to identify if a member is covered under Reference Based Benefits?

When you receive a response from a benefits and eligibility inquiry, you will be notified if a member is covered under Reference Based Benefits.

Additionally, you can call BlueCard® Eligibility at 1.800.676.BLUE (2583) to verify if a member is covered under Reference Based Benefits.

Do I need to do anything different if a member is covered under Reference Based Benefits?

While there are no additional steps that you need to take, you may want to verify the reference cost maximum prior to performing a procedure covered under Reference Based Benefits. You can check if Reference Based Benefits apply to professional and facility charges for the member, by submitting an electronic a benefits and eligibility inquiry to your local BCBS Plan. Alternatively, you can contact the member’s Plan by calling BlueCard® Eligibility at 1.800.676.BLUE (2583).

© Blue Cross and Blue Shield Association

Do Reference Based Benefits apply to emergency services?

No. Reference Based Benefits are not applicable to any service that is urgent or emergent.

Do Reference Based Benefits apply to benefits under the Affordable Care Act essential health benefits?

Yes. Health plans must offer products at the same actuarial value to comply with the Affordable Care Act legislative rules.

How does the member identify services at or below the reference cost?

Members with Reference-Based Benefits use consumer transparency tools to determine if a provider will deliver the service for less than the reference cost.

How will the Reference Based Benefits cost apply to professional and facility charges?

For more information on how Reference Based Benefits will apply costs to the professional and facility charges please submit an electronic benefits and eligibility inquiry to the members local BCBS Plan. If you have additional questions, you can contact BlueCard® Eligibility at 1.800.676.BLUE (2583) for the member you are seeing. *For Electronic Provider Access, see section 3.9.*

What if a member covered under Reference Based Benefits asks for additional information about their benefits?

Since members are subject to any charges above the reference cost up to the contractual amount for particular services, members may ask you to estimate how much a service will cost.

You can also direct members to view their BCBS Plan's transparency tools to learn more about the cost established for an episode of care.

Where do I submit the claim?

You should submit the claim to Blue Cross & Blue Shield of Mississippi under your current billing practices.

How will Reference Based Benefits be shown on a payment remittance?

When you receive payment for services the claim will pay per the member's benefits with any amount over the reference cost being applied to the Benefit Maximum.

Is there anything different that I need to submit with member claims?

No. You should continue to submit your claims as you previously have to Blue Cross & Blue Shield of Mississippi.

Who do I contact if I have a question?

If you have any questions regarding the Reference Based Benefits, please contact Blue Cross & Blue Shield of Mississippi at 800-257-5825.

2.10 Coverage and Eligibility Verification

For Blue Cross & Blue Shield of Mississippi members, contact Provider Services at 800-257-5825.

© Blue Cross and Blue Shield Association

For other BCBS Plans' members, submit an electronic inquiry to Blue Cross & Blue Shield of Mississippi or call BlueCard® Eligibility at 1.800.676.BLUE (2583) to verify the patient's eligibility and coverage:

- Electronic—Submit a HIPAA 270 transaction (eligibility) to Blue Cross & Blue Shield of Mississippi.

  You can receive real-time responses to your eligibility requests for out-of-area members between 6:00 a.m. and Midnight, Central Time, Monday through Saturday.

Note: Providers are encouraged to verify eligibility electronically via the HIPAA 270 transaction.

- Phone—Call BlueCard® Eligibility at 1.800.676.BLUE (2583)
  - English and Spanish speaking phone operators are available to assist you.
  - BCBS Plans are located throughout the country and may operate on a different time schedule than Blue Cross & Blue Shield of Mississippi. You may be transferred to a voice response system linked to customer enrollment and benefits outside that Plan's regular business hours.
  - BlueCard® Eligibility is for routing eligibility, benefit and pre-certification/referral authorization inquiries to the member's Plan. It should not be used for claim status. See the Claim Filing section for claim filing information.

Eligibility and Benefits for BlueHPN EPO Members:

BlueHPN EPO members will be identified as such on the HIPAA 271 transaction from Blue Cross & Blue Shield of Mississippi. If you are a BlueHPN provider, you should look for the in-network cost share on the HIPAA 271 response. If you are not a BlueHPN provider, you should be aware that the only services that are covered for BlueHPN EPO members are emergent care within BlueHPN product areas and urgent and emergent care outside of BlueHPN product areas. All other services are considered out-of-network, which will be indicated with a 100% member cost share on the HIPAA 271 transaction.

Effective January 1, 2023, BlueHPN no longer allows tiered networks. All BlueHPN members will have the BlueHPN without Tiers version of the BlueHPN product, and this will be indicated on the HIPAA 271 transaction.

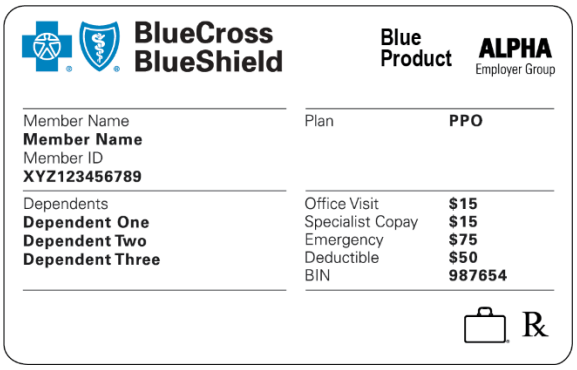

Electronic Health ID Cards

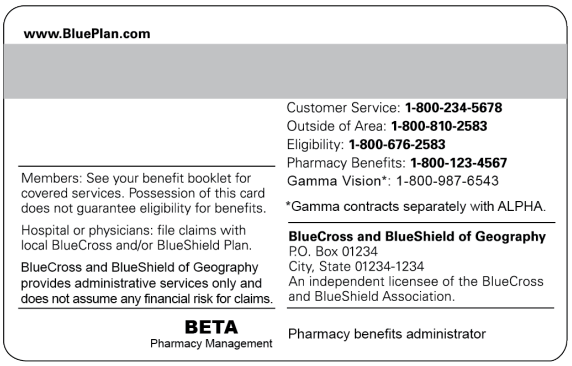

- Some local BCBS Plans have implemented electronic health ID cards to facilitate a seamless coverage and eligibility verification process.
- Electronic health ID cards enable electronic transfer of core subscriber/member data from the ID card to the provider's system.
- An electronic health ID card has a magnetic stripe on the back of the ID card, similar to what you can find on the back of a credit or debit card. The subscriber/member electronic data is embedded on the third track of the three-track magnetic stripe.
- Core subscriber/member data elements embedded on the third track of the magnetic stripe include: subscriber/member name, subscriber/member ID, subscriber/member date of birth and PlanID.
- The PlanID data element identifies the health plan that issued the ID card. PlanID will help providers facilitate health transactions among various payers in the marketplace.

© Blue Cross and Blue Shield Association

- Providers will need a track 3 card reader in order for the data on track 3 of the magnetic stripe to be read (the majority of card readers in provider offices only read tracks 1 & 2 of the magnetic stripe; tracks 1 & 2 are proprietary to the financial industry).

2.11 Utilization Review

You should remind patients that they are responsible for obtaining pre-certification/preauthorization for out-patient services from their BCBS Plan. Participating providers are responsible for obtaining pre-service review for inpatient facility services when the services are required by the account or member contract (Provider Financial Responsibility, see section 3.10). In addition, members are held harmless when pre-service review is required and not received for inpatient facility services (unless an account receives an approved exception).

Providers must also follow specified timeframes for pre-service review notifications:

1. 48 hours to notify the member's Plan of change in pre-service review; and
2. 72 hours for emergency/urgent pre-service review notification.

General information on pre-certification/preauthorization information can be found on the out-of-area member Medical Policy and Pre-Authorization/Pre-Certification Router at https://www.myaccessblue.com/BlueLand/dspauth/priorAuth/PriorAuthOutofStateListing.jsp utilizing the prefix (three alpha/alphanumeric characters located at the beginning of the member ID).

You may also contact the member's Plan on the member's behalf. You can do so by:

- For Blue Cross & Blue Shield of Mississippi members, contact Provider Services at 800-257-5825.
- For other BCBS Plans members:
  - Call BlueCard® Eligibility at 1.800.676.BLUE (2583) and ask to be transferred to the precertification area.
  - When pre-certification/preauthorization for a specific member is handled separately from eligibility verifications at the member's BCBS Plan, your call will be routed directly to the area that handles pre-certification/pre-authorization. You will choose from four options depending on the type of service for which you are calling:

© Blue Cross and Blue Shield Association

- Medical/Surgical
- Behavioral Health
- Diagnostic Imaging/Radiology
  Durable/Home Medical Equipment (D/HME)

If you are inquiring about both, eligibility and pre-certification/pre-authorization, through BlueCard® Eligibility at 1.800.676.BLUE (2583), your eligibility inquiry will be addressed first. Once complete, request to be transferred to the pre-certification/preauthorization area.

- Submit an electronic HIPAA 278 transaction (referral/authorization) to Blue Cross & Blue Shield of Mississippi.
- The member's BCBS Plan may contact you directly regarding clinical information and medical records prior to treatment or for concurrent review or disease management for a specific member.

When obtaining pre-certification/preauthorization, please provide as much information as possible, to minimize potential claims issues. Providers are encouraged to follow-up immediately with a member's BCBS Plan to communicate any changes in treatment or setting to ensure existing authorization is modified or a new one is obtained, if needed. Failure to obtain approval for the additional days may result in claims processing delays and potential payment denials.

2.12 Electronic Provider Access

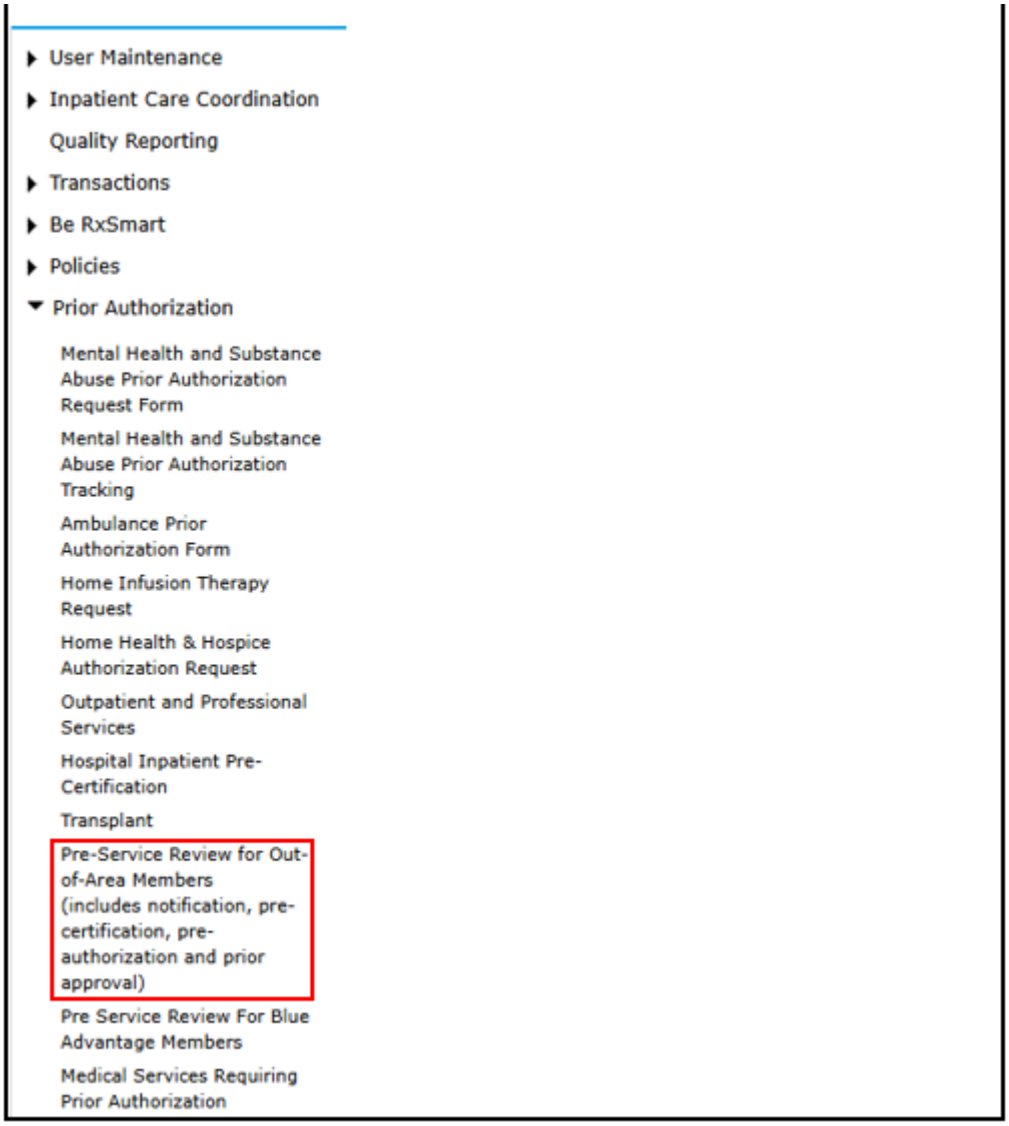

Electronic Provider Access (EPA) gives providers the ability to access an out-of-area member's BCBS Plan provider portals to conduct electronic pre-service review. The term pre-service review is used to refer to pre-notification, pre-certification, pre-authorization and prior approval, amongst other pre-claim processes. EPA enables providers to use their local BCBS Plan's provider portal to gain access to an out-of-area member's BCBS Plan provider portal, through a secure routing mechanism. Once in the member's BCBS Plan provider portal, the out-of-area provider has the same access to electronic pre-service review capabilities as the Plan's local providers.

The availability of EPA varies depending on the capabilities of each BCBS Plan. Some Plans have electronic pre-service review for many services, while others do not. The following describes how to use EPA and what to expect when attempting to contact BCBS Plans.

Using the EPA Tool

The first step for providers is to go to https://myblueprovider.bcbsms.com/BlueLand/index.jsp and log-in. You then select the menu option: "Pre-Service Review for Out-of-Area Members" (includes notification, pre-certification, pre-authorization and prior approval).

© Blue Cross and Blue Shield Association

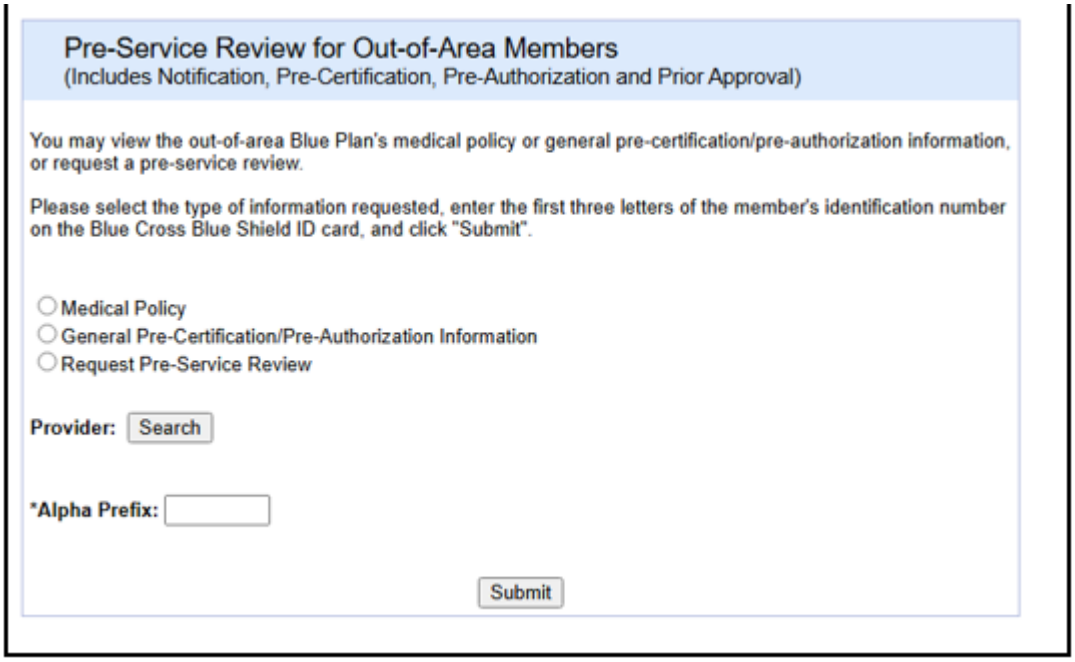

Next, you will be asked to enter the prefix from the member ID card. The prefix is comprised of the three alpha/alphanumeric characters located at the beginning of the member ID.

Note: You can first check whether pre-certification is required by the BCBS Plan by either:

1. Sending a service-specific request through BlueExchange. Accessing the BCBS Plan's pre-certification requirements pages by using the medical policy router. https://www.myaccessblue.com/ProviderLand/outOfAreaPriorAuth.do?token=60-224-84-147-197-251-148-20-145-35-89-254-64-204-34-133-186-119-175-201-172-144-78-63-10-88-59-85-154-230-92-225&link=ProviderLand/outOfAreaPriorAuth.do&link=ProviderLand/outOfAreaPriorAuth.do

© Blue Cross and Blue Shield Association

Entering the member's prefix from the ID card automatically routes you to the BCBS Plan's EPA landing page. This page welcomes you to the Plan's portal and indicates that you have left Blue Cross & Blue Shield of Mississippi portal. The landing page allows you to connect to the available electronic pre-service review processes. Because the screens and functionality of Plans' pre-service review processes vary widely, Plans may include instructional documents or e-learning tools on the landing page to provide instruction on how to conduct an electronic pre-service review. The page also includes instructions for conducting pre-service review for services where the electronic function is not available.

The BCBS Plan landing page looks similar across Plans but will be customized to the particular Plan based on the electronic pre-service review services they offer.

2.13 Provider Financial Responsibility for Pre-Service Review for BlueCard® Members

Blue Cross & Blue Shield of Mississippi Network Providers are responsible for obtaining pre-service review for inpatient facility services for BlueCard® members and holding the member harmless when pre-service review is required by the account or member contract and not received for inpatient services. Participating providers must also:

- Notify the member's BCBS Plan within 48 hours when a change or modifications to the original pre-service review occurs.
- Obtain pre-service review for emergency and/or urgent admissions within 72 hours.

© Blue Cross and Blue Shield Association

Failure to contact the member's BCBS Plan for pre-service review or for a change or modification of the pre-service review may result in claim denial for inpatient facility services. The member must be held harmless and cannot be balance-billed if pre-service review has not occurred*.

Pre-service review contact information for a member's BCBS Plan is provided on the member's identification card. Using the Electronic Provider Access (EPA) tool available in Blue Cross & Blue Shield of Mississippi's provider portal athttps://myblueprovider.bcbsms.com/BlueLand/index.jsp. Note that the availability of EPA will vary depending on the capabilities of each member's BCBS Plan.

- Submitting an ANSI 278 electronic transaction to Blue Cross & Blue Shield of Mississippi or calling BlueCard® Eligibility at 1.800.676.BLUE (2583).

Services that deny as not medically necessary remain member liability.

Who do I contact if I have additional questions about Provider Financial Responsibility for Pre-Service Review?

If you have any questions on Provider Financial Responsibility or general questions, please call Blue Cross & Blue Shield of Mississippi at Provider Services at 800-257-5825.

Who do I contact if I have additional questions about Electronic Provider Access?

If you have any questions on how to use the EPA tool, please call Blue Cross & Blue Shield of Mississippi at 800-257-5825.

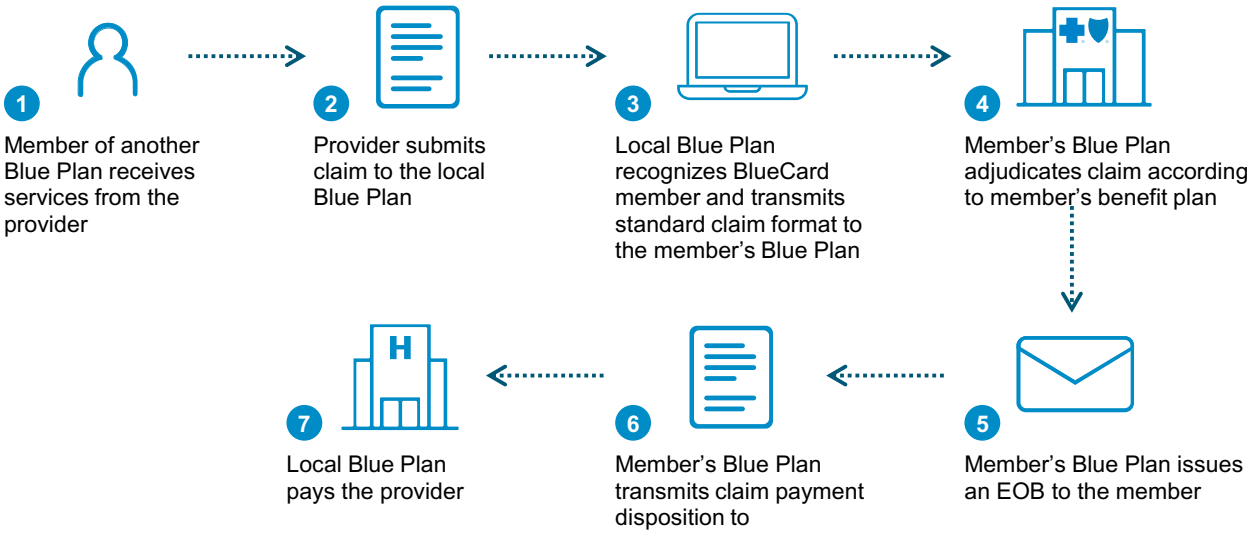

**Unless the member signed a written consent to be billed prior to rendering the service.*

3 Claim Filing

3.1 How Claims Flow through BlueCard®

Below is an example of how claims flow through BlueCard®

After the member of another BCBS Plan receives services from you, you should file the claim with Blue Cross & Blue Shield of Mississippi. We will work with the member's Plan to process the claim and the member's Plan will send an explanation of benefit, or EOB, to the member. We will send you an explanation of payment or the remittance advice and issue the payment to you under the terms of our contract with you and based on the members benefits and coverage.

Following these helpful tips will improve your claim experience:

- Ask members for their current member ID card and regularly obtain new photocopies of it (front and back). Having the current card enables you to submit claims with the appropriate member information (including prefix) and avoid unnecessary claims payment delays.
- Check eligibility and benefits electronically at https://myblueprovider.bcbsms.com/BlueLand/index.jsp or
  by calling BlueCard® Eligibility at 1.800.676.BLUE (2583). Be sure to provide the member's prefix.
- Verify the member's cost sharing amount before processing payment. Please do not process full payment upfront.
- Indicate any payment you collected from the patient on the claim. (On the 837 electronic claim submission form, check field AMT01=**F5** patient paid amount; on the CMS1500 locator **29** amount paid; on UB92 locator **54** prior payment; on UB04 locator **53** prior payment.)

© Blue Cross and Blue Shield Association

- Submit all BCBS claims to Blue Cross & Blue Shield of Mississippi. Be sure to include the member's complete identification number when you submit the claim. This includes the prefix (three alpha/alphanumeric characters located at the beginning of the member ID). Submit claims with only valid prefixes; claims with incorrect or missing prefixes and member identification numbers cannot be processed.
- In cases where there is more than one payer and a BCBS Plan is a primary payer, submit Other Party Liability (OPL) information with the BCBS claim. Upon receipt, Blue Cross & Blue Shield of Mississippi will electronically route the claim to the member's BCBS Plan. The member's Plan then processes the claim and approves payment; Blue Cross & Blue Shield of Mississippi will reimburse you for services.
- Do not send duplicate claims. Sending another claim, or having your billing agency resubmit claims automatically, slows down the claims payment process and creates confusion for the member.
- Check claims status by contacting Blue Cross & Blue Shield of Mississippi at 800-257-5825 or submitting an electronic HIPAA 276 transaction (claim status request) to [local Plan name].

3.2 Medicare Advantage Claims

3.2.1 Medicare Advantage Overview

Medicare Advantage (MA) is the program alternative to standard Medicare Part A and Part B fee-for-service coverage; generally referred to as "traditional Medicare".

MA offers Medicare beneficiaries several product options (similar to those available in the commercial market), including health maintenance organization (HMO), preferred provider organization (PPO), point-of-service (POS) and private fee-for-service (PFFS) plans.

All Medicare Advantage plans must offer beneficiaries at least the standard Medicare Part A and B benefits, but many offer additional covered services as well (e.g., enhanced vision and dental benefits).

In addition to these products, Medicare Advantage Organizations may also offer a Special Needs Plan (SNP), which can limit enrollment to subgroups of the Medicare population in order to focus on ensuring that their special needs are met as effectively as possible.

Medicare Advantage plans may allow in-network and out-of-network benefits, depending on the type of product selected. Providers should confirm the level of coverage by calling BlueCard® Eligibility at 1.800.676.BLUE (2583) or submitting an electronic inquiry, for all Medicare Advantage members prior to providing service since the level of benefits, and coverage rules, may vary depending on the Medicare Advantage plan.

Types of Medicare Advantage Plans

Medicare Advantage HMO

A Medicare Advantage HMO is a Medicare managed care option in which members typically receive a set of predetermined and prepaid services provided by a network of physicians and hospitals. Generally (except in urgent or emergency care situations), medical services are only covered when provided by in-network providers. The level of benefits, and the coverage rules, may vary by Medicare Advantage plan.

Medicare Advantage POS

A Medicare Advantage POS program is an option available through some Medicare HMO programs. It allows members to determine — at the point of service — whether they want to receive certain designated services within the HMO system or seek such services outside the HMO's provider network (usually at greater cost to the member). The Medicare Advantage POS plan may specify which services will be available outside of the HMO's provider network.

Medicare Advantage PPO

A Medicare Advantage PPO is a plan that has a network of providers, but unlike traditional HMO products, it allows members who enroll access to receive services provided outside the contracted network of providers. Required member cost-sharing may be greater when covered services are obtained out-of-network. Medicare Advantage PPO plans may be offered on a local or regional (frequently multi-state) basis. Special payment and other rules apply to regional PPOs.

Blue Medicare Advantage PPO members have in-network access to Blue MA PPO providers.

Medicare Advantage PFFS

A Medicare Advantage PFFS plan is a plan in which the member may go to any Medicare-approved doctor or hospital that accepts the plan's terms and conditions of participation. Acceptance is "deemed" to occur where the provider is aware, in advance of furnishing services, that the member is enrolled in a PFFS product and where the provider has reasonable access to the terms and conditions of participation.

The Medicare Advantage Organization, rather than the Medicare program, pays for services rendered to such members. Members are responsible for cost-sharing, as specified in the plan, and balance billing may be permitted in limited instance where the provider is a network provider, and the plan expressly allows for balance billing.

Medicare Advantage PFFS varies from the other Blue products you might currently participate in:

- You can see and treat any Medicare Advantage PFFS member without having a contract with Blue Cross & Blue Shield of Mississippi.
- If you do provide services, you will do so under the terms and conditions of that member's Blue Plan.
- MA PFFS terms and conditions might vary for each Blue Plan, and we advise that you review them before servicing MA PFFS members.
- Please refer to the back of the member's ID card for information on accessing the Plan's Terms and Conditions. You may choose to render services to a MA PFFS member on an episode of care (claim-by-claim) basis.
- Submit your MA PFFS claims to Blue Cross & Blue Shield of Mississippi.

Medicare Advantage Medical Savings Account (MSA)

Medicare Advantage Medical Savings Account (MSA) is a Medicare health plan option made up of two parts. One part is a Medicare MSA Health Insurance Policy with a high deductible. The other part is a special savings account where Medicare deposits money to help members pay their medical bills.

3.1.1 Medicare Advantage PPO Network Sharing

What is BCBS Medicare Advantage PPO Network Sharing?

All BCBS MA PPO Plans participate in reciprocal network sharing. This network sharing allows all BCBS MA PPO members to obtain in-network benefits when traveling or living in the service area of any other BCBS MA PPO Plan as long as the member sees a contracted MA PPO provider.

What does BCBS Medicare Advantage (MA) PPO Network Sharing mean to me?

If you are a contracted MA PPO provider with Blue Cross & Blue Shield of Mississippi and you see MA PPO members from other BCBS Plans, these members will be extended the same contractual access to care and will be reimbursed in accordance with your negotiated rate with your Blue Cross & Blue Shield of Mississippi contract. These members will receive in-network benefits in accordance with their member contract.

If you are not a contracted MA PPO provider with Blue Cross & Blue Shield of Mississippi and you provide services for any BCBS MA members, you will receive the Medicare allowed amount for covered services. For urgent or emergency care, you will be reimbursed at the member's in-network benefit level. Other services will be reimbursed at the out-of-network benefit level.

How do I recognize an out-of-area member from one of these Plans participating in the BCBS MA PPO network sharing?

You can recognize a MA PPO member when their member ID card has the following logo.

The "*MA*" in the suitcase indicates a member who is covered under the MA PPO network sharing program. Members have been asked not to show their standard Medicare ID card when receiving services; instead, members should provide their Blue Cross and/or Blue Shield member ID.

© Blue Cross and Blue Shield Association

Do I have to provide services to Medicare Advantage PPO members from other Blue Cross Blue Shield Plans?

If you are a contracted Medicare Advantage PPO provider with Blue Cross & Blue Shield of Mississippi, you must provide the same access to care as you do for Blue Cross & Blue Shield of Mississippi BCBS MA PPO members. You can expect to receive the same contracted rates for such services.

If you are not a Medicare Advantage PPO contracted provider, you may see Medicare Advantage members from other BCBS Plans but you are not required to do so. Should you decide to provide services to BCBS Medicare Advantage members, you will be reimbursed for covered services at the Medicare allowed amount based on where the services were rendered and under the member's out-of-network benefits. For urgent or emergency care, you will be reimbursed at the in-network benefit level.

What if my practice is closed to new local Blue Cross Blue Shield Medicare Advantage PPO members?

If your practice is closed to new local BCBS MA PPO members, you do not have to provide care for BCBS MA PPO out-of-area members. The same contractual arrangements apply to these out-of-area network sharing members as your local MA PPO members.

What will I be paid for providing services to these out-of-area Medicare Advantage PPO network sharing members?

If you are a MA PPO contracted provider with Blue Cross & Blue Shield of Mississippi, reimbursement will be based on your contracted MA PPO rate with Blue Cross & Blue Shield of Mississippi when providing covered services to MA PPO members from any other BCBS MA PPO Plan. Once you submit the MA claim, Blue Cross & Blue Shield of Mississippi will work with the other Plan to determine benefits and send you the payment.

What will I be paid for providing services to Medicare Advantage out-of-area members not participating in the Medicare Advantage PPO Network Sharing?

When you provide covered services to other BCBS MA out-of-area members,' benefits will be based on the Medicare allowed amount. Once you submit the claim, Blue Cross & Blue Shield of Mississippi will send you the payment. However, these services will be paid under the member's out-of-network benefits unless for urgent or emergency care.

May I request payment upfront?

Generally, once the member receives care, you should not ask for full payment up front other than out-of-pocket expenses (deductible, co-payment, coinsurance and non-covered services).

Under certain circumstances when the member has been notified in advance that a service will not be covered, you may request payment from the member before services are rendered or billed to the member. The member should sign an Advance Benefit Notification (ABN) form before services are rendered in these situations.

What is the member cost sharing level and co-payments?

© Blue Cross and Blue Shield Association

Member cost sharing level and co-payment is based on the member's health plan.
You may collect the co-payment amounts from the member at the time of service. To determine the cost sharing and/or co-payment amounts, you should call BlueCard® Eligibility at 1.800.676.BLUE (2583).

May I balance bill the member the difference in my charge and the allowance?

No, you may not balance bill the member for this difference. Members may be billed for any deductibles, co-insurance, and/or co-pays.

What if I disagree with the reimbursement amount I received?

If there is a question concerning the reimbursement amount, contact your local Plan at 800-257-5825.

Who do I contact if I have a question about MA PPO network sharing?

If you have any questions regarding the MA program or products, contact Blue Cross & Blue Shield of Mississippi at: 800-257-5825.

What is BCBS Medicare Advantage PPO Network Sharing?

Network sharing allows MA PPO members from MA PPO BCBS Plans to obtain in-network benefits when traveling or living in the service areas of the MA PPO Plans as long as the member sees a contracted MA PPO provider. MA PPO shared networks are available in *48* states and *two territories*:

Alabama	Indiana	Nebraska	Rhode Island

3.1.2 Eligibility Verification

- You can verify eligibility by contacting BlueCard® Eligibility at 1.800.676.BLUE (2583) and provide the member's prefix (three alpha/alphanumeric characters located at the beginning of the member ID) located on the ID card. Be sure to ask if Medicare Advantage benefits apply.

If you experience difficulty obtaining eligibility information, please record the prefix and report it to Blue Cross & Blue Shield of Mississippi.

© Blue Cross and Blue Shield Association

3.1.3 Medicare Advantage Claims Submission

- Submit all Medicare Advantage claims to Blue Cross & Blue Shield of Mississippi.
- Do not bill Medicare directly for any services rendered to a Medicare Advantage member.
- Payment will be made directly by a Blue Cross Blue Shield Plan.

3.1.4 Reimbursement for Medicare Advantage PPO, HMO, POS, PFFS

The reimbursement information below applies when a provider treats a Blue Cross Blue Shield Medicare Advantage member to whom the provider's contract does not apply.

Examples:

- A provider that is contracted for Medicare Advantage PPO business treats a Medicare Advantage HMO member.
- A provider that is contracted for commercial business only treats a MA PPO member.
- A provider that is contracted for Medicare Advantage HMO business treats any MA PPO member.
- A provider that is contracted for local Medicare Advantage HMO business treats an out-of-area MA HMO member.
- A provider that is not contracted with the local Plan treats a MA HMO member.

Based upon the Centers for Medicare and Medicaid Services (CMS) regulations, if you are a provider who accepts Medicare assignment and you render services to a Medicare Advantage member for whom you have no obligation to provide services under your contract with a Blue Cross Blue Shield Plan, you will generally be considered a non-contracted provider and be reimbursed the equivalent of the current Medicare allowed amount for all covered services (i.e., the amount you would collect if the beneficiary were enrolled in traditional Medicare).

Special payment rules apply to hospitals and certain other entities (e.g., skilled nursing facilities) that are non-contracted providers.

Providers should make sure they understand the applicable Medicare Advantage reimbursement rules.

Providers that are paid on a reasonable cost basis under Original Medicare should send their CMS Interim Payment Rate letter with their Medicare Advantage claim. This letter will be needed by the Plan to calculate the Medicare Allowed amount.

Other than the applicable member cost sharing amounts, reimbursement is made directly by a Blue Cross Blue Shield Plan or its branded affiliate. In general, you may collect only the applicable cost sharing (e.g., co-payment) amounts from the member at the time of service and may not otherwise charge or balance bill the member.

NOTE: Enrollee payment responsibilities can include more than copayments (e.g., deductibles).

Please review the remittance notice concerning Medicare Advantage plan payment, member's payment responsibility, and balance billing limitations.

The reimbursement information below applies when a provider treats a Blue Cross Blue Shield Medicare Advantage member to whom the provider's contract applies.

Examples:

- A provider that is contracted for Medicare Advantage PPO business treats an out-of-area Medicare Advantage PPO member.
- A provider that is contracted for Medicare Advantage HMO business treats an MA HMO member from the local Plan.

If you are a provider who accepts Medicare assignment and you render services to any Blue Cross Blue Shield Medicare Advantage member for whom you have an obligation to provide services under your contract with a Blue Cross Blue Shield Plan, you will be considered a contracted provider and be reimbursed per the contractual agreement. Amount may be less than your charge amount.

Providers should make sure they understand the applicable Medicare Advantage reimbursement rules and their individual Plan contractual arrangements.

Other than the applicable member cost sharing amounts, reimbursement is made directly by a Blue Cross Blue Shield Plan. In general, you may collect only the applicable cost sharing (e.g., co-payment) amounts from the member at the time of service and may not otherwise charge or balance bill the member.

Please review the remittance notice concerning Medicare Advantage plan payment, member's payment responsibility and balance billing limitations.

Medicare Advantage Private-Fee-For-Service (PFFS) Claim Reimbursement

If you have rendered services for a BCBS out-of-area Medicare Advantage PFFS member, but are not obligated to provide services to such member under a contract with a Blue Cross Blue Shield Plan, you will generally be reimbursed the Medicare allowed amount for all covered services (i.e., the amount you would collect if the beneficiary were enrolled in traditional Medicare). Providers should make sure they understand the applicable Medicare Advantage reimbursement rules by reviewing the terms & conditions under the member's BCBS Plan. Other than the applicable member cost sharing amounts, reimbursement is made directly by a Blue Cross Blue Shield Plan. In general, you may collect only the applicable cost sharing (e.g., co-payment) amounts from the member at the time of service and may not otherwise charge or balance bill the member.

Please review the remittance notice concerning Medicare Advantage plan payment, member's payment responsibility and balance billing limitations.

3.1.5 Medicare Advantage Coordination of Care Program

The *national MA Coordination of Care* program aims to increase the quality of members' care by enabling Blue MA PPO group members to receive appropriate care, wherever they access care. To better support *these* members residing in Mississippi, Blue Cross & Blue Shield of Mississippi *works* with providers to improve care *by*:

- Supporting providers with additional information about open gaps in care
- Requesting medical records to give Plans a complete understanding of member health status

© Blue Cross and Blue Shield Association

MA PPO group members participating in this program can be identified as having a member address in Mississippi and based on the following logo included on their Blue Cross and/or Blue Shield ID Cards:

What does this program to support Blue Medicare Advantage *PPO group* members mean to me?

Some of the benefits that you*, your practice and your patients* may see include:

- Receiving consolidated information on gaps in care and risk adjustment gaps, as well as medical record requests for all Blue MA PPO group members enrolled with Blue Cross & Blue Shield of Mississippi and other Blue Plans and residing in Mississippi through local communication practices.
- The MA PPO group members that you see may come into your practice setting more frequently for care due to Blue Cross & Blue Shield of Mississippi's requesting care gap closures, allowing for greater continuity in care.

Reminder: As outlined in your contract with Blue Cross & Blue Shield of Mississippi, you are required to respond to requests in support of risk adjustment, HEDIS and other government required activities within the requested timeframe. This includes requests from Blue Cross & Blue Shield of Mississippi related to this program.

What *is expected for* this program?

Medical Record Requests

Providers will receive *requests for* medical records from Blue Cross & Blue Shield of Mississippi related to your patients that are MA PPO group members residing in Mississippi and enrolled with another Blue Plan.

Per the program structure, these members' Plans request medical records through Blue Cross & Blue Shield of Mississippi

You do not need to be in contact with any Blue Plan that you are not contracted with for the purposes of medical record retrieval.

Gap Closure Requests

You may receive an increase in *requests to close* Stars care gaps and risk adjustment gaps from Blue Cross & Blue Shield of Mississippi for your patients that are MA PPO group members residing in Mississippi and enrolled with another Blue Plan.

Per the program structure, Stars care gaps or risk adjustment gaps for these members are communicated through the local process administered by Blue Cross & Blue Shield of Mississippi.

You do not need to be in contact with any Blue Plan that you are not contracted with for the purposes of gap closure.

© Blue Cross and Blue Shield Association

In addition, this program change may result in greater contact with these members—whether it is through onsite visits or via phone outreach and may engender better care continuity.

HIPAA/Privacy

Consistent with HIPAA and any other applicable laws and regulations, Blue Cross & Blue Shield of Mississippi is contractually bound to preserve the confidentiality of health plan members' protected health information (PHI) obtained from medical records and provider engagement on Stars and/or risk adjustment gaps. You will only receive requests from Blue Cross & Blue Shield of Mississippi that are permissible under applicable law and, consistent with your current practices, patient-authorized information releases are not required in order for you to fulfill medical records requests and support closure of Stars care gaps and/or risk adjustment gaps received pursuant to this care coordination program.

If you have any questions regarding the applicability of HIPAA or any other privacy law or regulation to this program, please contact 800-257-5825.

3.2 Claims Coding

Code claims as you would for Blue Cross & Blue Shield of Mississippi claims.

3.3 Ancillary Claims

Ancillary providers include Independent Clinical Laboratory, Durable/Home Medical Equipment and Supplies and Specialty Pharmacy providers. File claims for these providers as follows:

- Independent Clinical Laboratory (Lab)
  - File to the BCBS Plan in whose service area the referring provider is located.
- Durable/Home Medical Equipment and Supplies (D/HME)
  - File to the Plan in whose service area the equipment was shipped to or purchased at a retail store.
- Specialty Pharmacy
  - File to the Plan in whose service area the ordering physician is located.

*If you contract with more than one Plan in a service area for the same product type (i.e., PPO or Traditional), you may file the claim with either Plan.

- The ancillary claim filing rules apply regardless of the provider's contracting status with the BCBS Plan where the claim is filed.
- Providers are encouraged to verify member eligibility and benefits by contacting the phone number on the back of the member ID card or calling BlueCard® Eligibility at 1.800.676.BLUE (2583), prior to providing any ancillary service.
- Providers that utilize outside vendors to provide services (example: sending blood specimen for special analysis that cannot be done by the Lab where the specimen was drawn) should utilize in-network participating ancillary lab providers in the area where the referring provider is located to reduce the risk of additional member liability for covered benefits. A list of Network Providers may be obtained by contacting Blue Cross & Blue Shield of Mississippi
- Members are financially liable for ancillary services not covered under their benefit plan. It is the provider's responsibility to request payment directly from the member for non-covered services.
- If you have any questions about where to file your claim, please contact Provider Services at 800-257-5825.

3.4 Air Ambulance Claims

Claims for air ambulance services must be filed to the BCBS Plan in whose service area the point of pickup ZIP code is located.

Note: If you contract with more than one Plan in a service area for the same product type (i.e., PPO or Traditional), you may file the claim with either Plan.

Service Rendered	How to File (Required Fields)	Where to File	Example

Air Ambulance Services	**Point of Pickup ZIP Code**:
	– Populate item 23 on CMS 1500 Health Insurance Claim Form, with the 5-digit ZIP code of the point of pickup
	  – For electronic billers, populate the origin information (ZIP code of the point of pick-up), in the Ambulance Pick-Up Location Loop in the ASC X12N Health Care Claim (837) Professional.
	– Where Form CMS-1450 (UB-04) is used for air ambulance service not included with local hospital charges, populate Form Locators 39-41, with the 5-digit ZIP code of the point of pickup. The Form Locator must be populated with the approved Code and Value specified by the National Uniform Billing Committee in the UB-04 Data Specifications Manual.
	  – Form Locators (FL) 39-41
	  – Code: A0 (Special ZIP code reporting), or its successor code specified by the National Uniform Billing Committee.
	  – Value: Five digit ZIP Code of the location from which the beneficiary is initially placed on board the ambulance.
	  – For electronic claims, populate the origin information (ZIP code of the point of pick-up) in the Value Information Segment in the ASC X12N Health Care Claim (837) Institutional.
		File the claim to the Plan in whose service area the point of pickup ZIP code is located*.
		
		*BlueCard® rules for claims incurred in an overlapping service area and contiguous county apply.
			• The point of pick up ZIP code is in Plan A service area.
			• The claim must be filed to Plan A, based on the point of pickup ZIP code.

- The air ambulance claims filing rules apply regardless of the provider's contracting status with the BCBS Plan where the claim is filed.
- Where possible, providers are encouraged to verify member eligibility and benefits by contacting the phone number on the back of the Member ID card or calling BlueCard® Eligibility at 1.800.676.BLUE (2583).

© Blue Cross and Blue Shield Association

- Providers must utilize in-network participating air ambulance providers to reduce the risk of additional member liability for covered benefits. A list of in-network participating providers may be obtained by contacting https://www.bcbsms.com/im-a-member/find-a-provider.
- Members are financially liable for air ambulance services not covered under their benefit plan. It is the provider's responsibility to request payment directly from the member for non-covered services.
- If you have any questions about where to file your claim, please contact [insert name, phone, and e-mail address] at Blue Cross & Blue Shield of Mississippi.

3.5 Contiguous Counties/Overlapping Service Areas

3.5.1 Contiguous Counties

Claims may be filed directly to the member's BCBS Plan by contiguous area providers based on the permitted terms of the provider contact, which may include:

- Provider location (i.e., which Plan service area is the providers office located)
- Provider contract with the two contiguous counties (i.e., is the provider contracted with only one or both service areas).
- The member's BCBS Plan (i.e., is the member's BCBS Plan in a county contiguous to the provider location).
- The member's location (i.e., does the member live or work in the service area covered by his/her BCBS Plan).
- The location of where the services were received (i.e., did the member receive service from a provider located in a county contiguous to the member's BCBS Plan).
- Claims incurred in a contiguous county may be filed directly to the Control/Home Plan, solely for its members who live or work in its service area.
  - Note: Plans operating in multiple service areas are considered one service area. For example, all Anthem Plans are one service area. (e.g., when an Anthem CA member who lives or works in GA, part of the 14-state Anthem service area, receives services in AL [in a contiguous county to GA], the claim is filed directly to GA as a local GA in-network claim.) However, if the Anthem member lives or works in IL, which is not a part of the 14-state Anthem service area, the claim is filed to AL and is a BlueCard® in-network claim.

3.5.2 Overlapping Service Areas

Submission of claims in an overlapping service area is dependent on which Plan(s) the provider contracts within that service area, the type of contract the provider has (ex. PPO, Traditional) and the type of contract the member has with their BCBS Plan.

- If you contract with all local BCBS Plans in your state for the same product type (i.e., PPO or Traditional), you may file an out-of-area member's claim with either Plan.
- If you have a PPO contract with one BCBS Plan, but a Traditional contract with another BCBS Plan, file the out-of-area member's claim by product type. For example, if it's a PPO member, file the claim with the Plan that has your PPO contract.

© Blue Cross and Blue Shield Association

- If you contract with one BCBS Plan but not the other, file all out-of-area claims with your contracted Plan.

3.6 Medical Records

Under what circumstances may the provider get requests for medical records for out-of-area members?

1. As part of the pre-authorization process — If you receive requests for medical records from other BCBS Plans prior to rendering services, as part of the pre-authorization process, you will be instructed to submit the records directly to the member's Plan that requested them.
   This is the only circumstance where you would not submit them to Blue Cross & Blue Shield of Mississippi.
2. As part of claim review and adjudication — these requests will come from Blue Cross & Blue Shield of Mississippi through myBlue Provider requesting specific medical records and including instructions for submission.

BlueCard® Medical Record Process for Claim Review

1. An initial communication, generally in an electronic communication received through myBlue Provider, will be sent to your office requesting the needed information.
2. A remittance may be received by your office indicating the claim is being denied pending receipt and review of records. Occasionally, the medical records you submit might cross in the mail with the remittance advice for the claim indicating a need for medical records.
   A remittance advice is not a duplicate request for medical records. If you submitted medical records previously, but received a remittance advice indicating records were still needed, please contact Blue Cross & Blue Shield of Mississippi at [insert local Plan name and contacts] to ensure your original submission has been received and processed. This will prevent duplicate records being sent unnecessarily.
3. If you received only a remittance advice indicating records are needed, but you did not receive a medical records request, contact Blue Cross & Blue Shield of Mississippi to determine if the records are needed from your office.
4. Upon receipt of the information, the claim will be reviewed to determine the benefits.

Helpful Ways You Can Assist in Timely Processing of Medical Records

1. If the records are requested following submission of the claim, forward all requested medical records to Blue Cross & Blue Shield of Mississippi as soon as possible to avoid further delay.
2. Follow the submission instructions given on the request, Upload Medical Records to myBlue Provider..
3. Include the cover letter you received with the request when submitting the medical records. This is necessary to make sure the records are routed properly once received by Blue Cross & Blue Shield of Mississippi.

© Blue Cross and Blue Shield Association

4. Only send the information specifically requested. Generally, complete medical records are not necessary.
5. Please do not proactively send medical records with the claim. Unsolicited claim attachments may cause claim payment delays.

3.7 Adjustments

Contact Blue Cross & Blue Shield of Mississippi if an adjustment is required. We will work with the member's BCBS Plan for adjustments; however, your workflow should not be different.

3.8 Appeals

Appeals for all claims are handled through Blue Cross & Blue Shield of Mississippi. We will coordinate the appeal process with the member's BCBS Plan, if needed.

3.9 Coordination of Benefits (COB) Claims

Coordination of benefits (COB) refers to how we ensure members receive full benefits and prevent double payment for services when a member has coverage from two or more sources. The member's contract language explains the order for which entity has primary responsibility for payment and which entity has secondary responsibility for payment.

If you discover the member is covered by more than one health plan, and:

- Blue Cross & Blue Shield of Mississippi or any other BCBS Plan is the primary payer, submit other carrier's name and address with the claim to Blue Cross & Blue Shield of Mississippi. If you do not include the COB information with the claim, the member's BCBS Plan will have to investigate the claim. This investigation could delay your payment or result in a post-payment adjustment, which will increase your administrative burden.
- Other non-BCBS health plan is primary and Blue Cross & Blue Shield of Mississippi or any other BCBS Plan is secondary, submit the claim to Blue Cross & Blue Shield of Mississippi only after receiving payment from the primary payor, including the explanation of payment from the primary carrier. If you do not include the COB information with the claim, the member's BCBS Plan will have to investigate the claim. This investigation could delay your payment or result in a post-payment adjustment, which will increase your administrative burden.

Carefully review the payment information from all payers involved on the remittance advice (RA) before balance billing the patient for any potential liability. The information listed on the Blue Cross & Blue Shield of Mississippi remittance advice as "patient liability" might be different from the actual amount the patient owes you, due to the combination of the primary insurer payment and your negotiated amount with Blue Cross & Blue Shield of Mississippi.

For Professional claims if the member does not have other insurance, it is imperative on the electronic HIPAA 837 claims submission transaction or CMS 1500 claim form, in box 11D, either "YES" or "NO" be checked. Leaving the box unmarked can cause the member's Plan to stop the claim to investigate for COB.

Coordination of Benefits Questionnaire

To streamline our claims processing and reduce the number of denials related to Coordination of Benefits, a Coordination of Benefits (COB) questionnaire is available to you at https://www.bcbsms.com/im-a-provider/forms-and-downloads that will help you and your patients avoid potential claim issues.

When you see any Blue members and you are aware that they might have other health insurance coverage (e.g., Medicare), give a copy of the questionnaire to them during their visit. Providers should ensure that the form is completely filled out and at a minimum, includes your name and tax identification or NPI number, the policy holder's name, group number and identification number including the prefix (three alpha/alphanumeric characters located at the beginning of the member ID) and the member's signature. Once the form is complete, send it to your local BCBS Plan as soon as possible. Your local BCBS Plan will work with the member's Plan to get the COB information updated. Collecting COB information from members before you file their claim eliminates the need to gather this information later, thereby reducing processing and payment delays.

3.10 Claim Payment

- If you have not received payment for a claim, do not resubmit the claim because it will be denied as a duplicate. This will cause member confusion because of multiple Explanations of Benefits (EOBs).
- If you do not receive your payment or a response regarding your payment, please visit our Web site at www.bcbsms.com to check the status of your claim.
- In some cases, a member's BCBS Plan may pend a claim because medical review or additional information is necessary. When resolution of a pended claim requires additional information from you, Blue Cross & Blue Shield of Mississippi may either ask you for the information or give the member's Plan permission to contact you directly. Claim Status Inquiry

Blue Cross & Blue Shield of Mississippi is your single point of contact for all claim inquiries.

Claim status inquires can be done by:

- Phone—call 800-257-5825.
- Electronically—send a HIPAA transaction 276 (claim status inquiry) to Blue Cross & Blue Shield of Mississippi via the secure myBlue Provider portal.

3.11 Calls from Members and Others with Claim Questions

If BCBS Plan members contact you, advise them to contact their BCBS Plan and refer them to their ID card for a customer service number.

The member's BCBS Plan should not contact you directly regarding claims issues. If the member's BCBS Plan contacts you directly and asks you to submit the claim to them, refer them to Blue Cross & Blue Shield of Mississippi.

3.12 Value Based Provider Arrangements

Plans have value-based care delivery arrangements in place with their providers. Each Plan has created their own arrangement with their provider(s), including reimbursement arrangements. Due to the unique nature of each Plan/provider arrangement, there is no common provider education template for value-based care delivery arrangements that can be created and distributed for use by all Plans.

4 Frequently Asked Questions

4.1 BlueCard® Basics

1. What Is the BlueCard® Program?

BlueCard® is a national program that enables members of one BCBS Plan to obtain healthcare service benefits while traveling or living in another BCBS Plan's service area. The program links participating healthcare providers with the independent BCBS Plans across the country and in more than 200 countries and territories worldwide through a single electronic network for claims processing and reimbursement.

The program lets you conveniently submit claims for patients from other BCBS Plans, domestic and international, to your local BCBS Plan.

Your local BCBS Plan is your sole contact for claims payment, adjustments, and issue resolution.

2. What products are included in the BlueCard® Program?

The following products/claims are included in the BlueCard® Program:

- Traditional (indemnity insurance)
- PPO (Preferred Provider Organization)
- EPO (Exclusive Provider Organization), including Blue High Performance Network (BlueHPN)
- POS (Point of Service)
- International Products/International BCBS Licensees (GeoBlue/BCBS Global, Bupa/BCBS Global, BCBS Uruguay, BCBS Panama, and Canadian Blue Cross Travel products)
- Standalone vision
- Standalone prescription drugs

© Blue Cross and Blue Shield Association

Note: Standalone vision and standalone self-administered prescription drugs programs are eligible to be processed thru BlueCard® when such products are not delivered using a vendor. Consult claim filing instructions on the back of the ID cards.

3. What products are excluded from the BlueCard® Program?

The following products/claims are excluded from the BlueCard® Program:

- Stand-alone dental
- Medicare Advantage*
- The Federal Employee Program (FEP)

Please follow Blue Cross & Blue Shield of Mississippi billing guidelines.

4. Are HMO patients serviced through the BlueCard® Program?

Occasionally BCBS HMO members affiliated with other BCBS Plans will seek care at your office or facility. You should handle claims for these members the same way as you do for Blue Cross & Blue Shield of Mississippi members by submitting them to Blue Cross & Blue Shield of Mississippi.

4.2 Identifying Members and ID Cards

1. How do I identify members?

When members from BCBS Plans arrive at your office or facility, be sure to ask them for their current ID card. The main identifier for out-of-area members is the prefix. The ID cards may also have:

- PPO in a suitcase logo, for eligible PPO/EPO members
- PPOB in a suitcase logo, for PPO members with access to the BlueCard® PPO Basic network
- Blank suitcase logo
- An BlueHPN in a suitcase logo with the Blue High Performance Network (BlueHPN) name in the upper right or lower left corner, for BlueHPN EPO members

2. What is a “prefix?”

The three alpha/alphanumeric characters located at the beginning of the member ID is the key element used to identify and correctly route claims. The prefix identifies the BCBS Plan or National Account to which the member belongs. It is critical for confirming a patient’s membership and coverage.

3. What do I do if a member has an identification card without a prefix?

Some members may carry outdated identification cards that may not have a prefix.
Please request a current ID card from the member.

© Blue Cross and Blue Shield Association

4. How do I identify Medicare Advantage members?

Members will not have a standard Medicare card; instead, a BCBS logo will be visible on the ID card. The following examples illustrate how the different products associated with the Medicare Advantage program will be designated on the front of the member ID cards:

Member ID cards for Medicare Advantage products will display one of the benefit product logos shown here:	MEDICARE ADVANTAGE | HMO	Health Maintenance Organization
	MEDICARE ADVANTAGE | MSA	Medical Savings Account
	MEDICARE ADVANTAGE | PFFS	Private Fee-For-Service
	MEDICARE ADVANTAGE | POS	Point of Service
	MA | PPO MEDICARE ADVANTAGE	Network Sharing Preferred Provider Organization.

When these logos are displayed on the front of a member's ID card, it indicates the coverage type the member has in his/her BCBS Plan service area or region. However, when the member receives services outside his/her BCBS Plan service area or region, provider reimbursement for covered services is based on the Medicare allowed amount, except for PPO network sharing arrangements.

Blue Cross & Blue Shield of Mississippi participates in Medicare Advantage PPO Network Sharing arrangements, and contracted provider reimbursement is based on the contracted rate with Blue Cross & Blue Shield of Mississippi**.** Non-contracted provider reimbursement is the Medicare allowed amount based on where services are rendered.

Tip: While all MA PPO members have suitcases on their ID cards, some have limited benefits outside of their primary carrier's service area. Providers should refer to the back the member's ID card for language indicating such restrictions apply.

5. How do I identify international members?

Occasionally, you may see identification cards from members residing abroad or foreign BCBS Plan members. These ID cards will contain prefixes (three alpha/alphanumeric characters located at the beginning of the member ID). Please treat these members the same as domestic Blue Plan members.

6. What do I do if a member does not have an ID card?

Contact Blue Cross & Blue Shield of Mississippi at 800-257.5825.

© Blue Cross and Blue Shield Association

4.3 Verifying Eligibility and Coverage

How do I verify membership and coverage?

For Blue Cross & Blue Shield of Mississippi members, visit myBlue Provider or call 800-257-5825.

For other BCBS Plan members, contact Blue Cross & Blue Shield of Mississippi electronically or BlueCard® Eligibility by phone to verify the patient's eligibility and coverage:

Electronic—Submit a HIPAA 270 transaction (eligibility) to Blue Cross & Blue Shield of Mississippi.

Phone—Call BlueCard® Eligibility at 1.800.676.BLUE (2583).

4.4 Utilization Review

How do I obtain utilization review?

You should remind patients that they are responsible for obtaining pre-certification/authorization for outpatient services from their BCBS Plan. Participating providers are responsible for obtaining pre-service review for inpatient facility services when the services are required by the account or member contract (Provider Financial Responsibility). *See section 2.11, Utilization Review.*

You may also contact the member's Plan on the member's behalf. You can do so by:

For Blue Cross & Blue Shield of Mississippi members, contact consult myBlue Provider or call 800.257.5825.

For other BCBS Plans members,

- Phone—Call the utilization management/pre-certification number on the back of the member's card. If the utilization management number is not listed on the back of the member's card, call BlueCard® Eligibility at 1.800.676.BLUE (2583) and ask to be transferred to the precertification area.
- Electronic—Submit a HIPAA 278 transaction (referral/authorization) to Blue Cross & Blue Shield of Mississippi.

See section 3.9, Electronic Provider Access

4.5 Claims

1. Where and how do I submit claims?

You should always submit claims to Blue Cross & Blue Shield of Mississippi. Be sure to include the member's complete identification number when you submit the claim. The complete identification number includes the prefix (three alpha/alphanumeric characters located at the beginning of the member ID). Do not make up prefixes. Claims with incorrect or missing prefixes and/or member identification numbers cannot be processed.

2. How do I submit claims for international Blue members?

The claim submission process for international BCBS Plan members is the same for domestic BCBS Plan members. You should submit the claim directly to Blue Cross & Blue Shield of Mississippi.

© Blue Cross and Blue Shield Association

3. How do I handle COB claims?

If after calling BlueCard® Eligibility at 1.800.676.BLUE (2583) or through other means you discover the member has a COB provision in their benefit plan and Blue Cross & Blue Shield of Mississippi is the primary payer, submit the claim with information regarding COB to Blue Cross & Blue Shield of Mississippi.

If you do not include the COB information with the claim, the member's BCBS Plan or the insurance carrier will have to investigate the claim. This investigation could delay your payment or result in a post-payment adjustment, which will increase your volume of bookkeeping.

4. How do I handle Medicare Advantage claims?

Submit claims to Blue Cross & Blue Shield of Mississippi. Do not bill Medicare directly for any services rendered to a Medicare Advantage member. Payment will be made directly by a BCBS Plan.

5. How do I handle traditional Medicare-related claims?

- When Medicare is the primary payor, submit claims to your local Medicare intermediary.
- All BCBS claims are set up to automatically cross over (or forward) to the member's BCBS Plan after being adjudicated by the Medicare intermediary.

6. How do I submit Medicare primary / BCBS Plan secondary claims?

- For members with Medicare primary coverage and BCBS Plan secondary coverage, submit claims to your Medicare intermediary and/or Medicare carrier.
- When submitting the claim, it is essential that you enter the correct BCBS Plan name as the secondary carrier. This may be different from the local BCBS Plan. Check the member's ID card for additional verification.
- Be certain to include the prefix as part of the member identification number. The member's ID will include the prefix (three alpha/alphanumeric characters located at the beginning of the member ID). The prefix is critical for confirming membership and coverage, and key to facilitating prompt payments.

  When you receive the remittance advice from the Medicare intermediary, look to see if the claim has been automatically forwarded (crossed over) to the BCBS Plan:

- If the remittance advice indicates that the claim was crossed over, Medicare has forwarded the claim on your behalf to the appropriate BCBS Plan and the claim is in process. DO NOT resubmit that claim to Blue Cross & Blue Shield of Mississippi; duplicate claims will result in processing and payment delays.
- If the remittance advice indicates that the claim was not crossed over, submit the claim to Blue Cross & Blue Shield of Mississippi with the Medicare remittance advice.
- In some cases, the member identification card may contain a COBA ID number. If so, be certain to include that number on your claim.
- For claim status inquiries, contact Blue Cross & Blue Shield of Mississippi at 800-257-5825.

© Blue Cross and Blue Shield Association

7. When will I get paid for claims?

To determine when claims payment will occur, consult myBlue Provider or contact Blue Cross & Blue Shield of Mississippi at 800.257.5825.

4.6 Contacts

1. Who do I contact with claims questions?

Consult myBlue Provider or call 800.257.5825.

2. How do I handle calls from members and others with claims questions?

If members contact you, advise them to contact their BCBS Plan. Refer them to the front or back of their ID card for a customer service number. A member's BCBS Plan should not contact you directly. If the member's Plan contacts you to request another copy of the member's claim, refer the Plan to Blue Cross & Blue Shield of Mississippi.

Where can I find more information?

5 Glossary of BlueCard® Program Terms

Administrative Services Only (ASO)

ASO accounts are self-funded, where the local plan administers claims on behalf of the account but does not fully underwrite the claims. ASO accounts may have benefit or claims processing requirements that may differ from non-ASO accounts. There may be specific requirements that affect, medical benefits, submission of medical records, Coordination of Benefits or timely filing limitations.

The Blue Cross & Blue Shield of Mississippi receives and prices all local claims, handles all interactions with providers, with the exception of Utilization Management interactions, and makes payment to the local provider.

bcbs.com

The Blue Cross and Blue Shield Association's Web site.

BlueCard® Access-1.800.810.BLUE (2583)

A toll-free 800 number for you and members to use to locate healthcare providers in another BCBS Plan's area. This number is useful when you need to refer the patient to a physician or healthcare facility in another location.

BlueCard® Eligibility-1.800.676.BLUE (2583)

A toll-free 800 number for you to verify membership and coverage information and obtain pre-certification on patients from other BCBS Plans.

Blue High Performance Network (BlueHPN)

A national network of providers offered in key geographies that provides national accounts enhanced quality and cost savings.

National Doctor & Hospital Finder Website

A website you can use to locate healthcare providers in another BCBS Plan's area http://www.bcbs.com/healthtravel/finder.html. This is useful when you need to refer the patient to a physician or healthcare facility in another location. If you find that any information about you, as a provider, is incorrect on the website, please contact Blue Cross & Blue Shield of Mississippi at 800-257-5825.

Blue Cross Blue Shield Global® Core

A medical assistance program that provides BCBS members traveling or living outside the United States, Puerto Rico and U. S. Virgin Islands with access to doctors and hospitals around the world.

Consumer Directed Healthcare/Health Plans (CDHC/CDHP)

Consumer Directed Healthcare (CDHC) is a broad umbrella term that refers to a movement in the healthcare industry to empower members, reduce employer costs, and change consumer healthcare purchasing behavior. CDHC provides the member with additional information to make an informed and appropriate healthcare decision through the use of member support tools, provider and network information, and financial incentives.

Coinsurance

A provision in a member's coverage that limits the amount of coverage by the benefit plan to a certain percentage. The member pays any additional costs out-of-pocket.

Coordination of Benefits (COB)

Ensures that members receive full benefits and prevents double payment for services when a member has coverage from two or more sources. The member's contract language gives the order for which entity has primary responsibility for payment and which entity has secondary responsibility for payment.

Co-payment

A specified charge that a member incurs for a specified service at the time the service is rendered.

Deductible

A flat amount the member incurs before the insurer will make any benefit payments.

Exclusive Provider Organization (EPO)

A health benefits program in which the member receives no benefits for care obtained outside the PPO network except emergency care and does not include a Primary Care Physician selection. EPO benefit coverage may be delivered via BlueCard® PPO and is restricted to services provided by BlueCard® PPO providers.

FEP

The Federal Employee Program.

Hold Harmless

An agreement with a healthcare provider not to bill the member for any difference between billed charges for covered services (excluding coinsurance) and the amount the healthcare provider has contractually agreed on with a BCBS Plan as full payment for these services.

© Blue Cross and Blue Shield Association

Medicaid

A program designed to assist low-income families in providing healthcare for themselves and their children. It also covers certain individuals who fall below the federal poverty level. Other people who are eligible for Medicaid include low-income children under age six and low-income pregnant women. Medicaid is governed by Federal guidelines in terms of eligibility, procedures, payment level etc., but states have a broad range of options within those guidelines to customize the program to their needs and/or can apply for specific waivers. State Medicaid programs must be approved by CMS; their daily operations are overseen by the State Department of Health or similar state agency.

Medicare Advantage

The program alternative to standard Medicare Part A and Part B fee-for-service coverage that are generally referred to as “traditional Medicare.”

Medicare Advantage offers Medicare beneficiaries several product options (similar to those available in the commercial market), including health maintenance organization (HMO), preferred provider organization (PPO), point-of-service (POS) and private fee-for-service (PFFS) plans.

Medicare Crossover

A program established to allow Medicare to transfer Medicare Summary Notice (MSN) information directly to a payor with Medicare’s supplemental insurance company.

Medicare Supplemental (Medigap)

Pays for expenses not covered by Medicare. Medigap is a term for a health insurance policy sold by private insurance companies to fill the “gaps” in original Medicare Plan coverage. Medigap policies help pay some of the healthcare costs that the original Medicare Plan doesn’t cover.

Medigap policies are regulated under federal and state laws and are “standardized.” There may be up to 12 different standardized Medigap policies (Medigap Plans A through L). Each plan, A through L, has a different set of basic and extra benefits. The benefits in any Medigap Plan A through L are the same for any insurance company. Each insurance company decides which Medigap policies it wants to sell. Most of the Medigap claims are submitted electronically directly from the Medicare intermediary to the member’s BCBS Plan via the Medicare Crossover process.

Medigap does not include Medicare Advantage products, which are a separate program under the Centers for Medicare & Medicaid Services (CMS). Members who have a Medicare Advantage Plan do not typically have a Medigap policy because under Medicare Advantage these policies do not pay any deductibles, copayments, or other cost-sharing.

National Account

An employer group with employee and/or retiree locations in more than one BCBS Plan’s service area.

Other Party Liability (OPL)

Cost containment programs that ensure that BCBS Plans meet their responsibilities efficiently without assuming the monetary obligations of others and without allowing members to profit from illness or accident. OPL includes coordination of benefits, Medicare, Workers’ Compensation, subrogation, and no-fault auto insurance.

Plan

© Blue Cross and Blue Shield Association

Refers to any BCBS Plan.

Point of Service (POS)

A health benefit program in which the highest level of benefits is received when the member obtains services from his/her primary care provider/group and/or complies with referral authorization requirements for care. Benefits are still provided when the member obtains care from any eligible provider without referral authorization, according to the terms of the contract.

Preferred Provider Organization (PPO)

A health benefit program that provides a significant incentive to members when they obtain services from a designated PPO provider. The benefit program does not require a gatekeeper (primary care physician) or referral to access PPO providers.

Prefix

Three alpha/alphanumeric characters, at the beginning of the member ID number, on BCBS ID cards that identify the member's BCBS Plan or National Account.

State Children's Health Insurance Program (SCHIP)

SCHIP is a public program administered by the United States Department of Health and Human Services that provides matching funds to states for health insurance to families with children. The program was designed with the intent to cover uninsured children in families with incomes that are modest but too high to qualify for Medicaid. States are given flexibility in designing their SCHIP eligibility requirements and policies within broad federal guidelines. Some states have received authority through waivers of statutory provisions to use SCHIP funds to cover the parents of children receiving benefits from both SCHIP and Medicaid, pregnant women, and other adults.

Traditional Coverage

Provides basic and/or supplemental hospital and medical/surgical benefits (e.g., basic, major medical and add-on riders) designed to cover various services. Such products generally include cost sharing features, such as deductibles, coinsurance or copayments.

6 BlueCard® Program Quick Tips

The BlueCard® Program provides a valuable service that lets you file all claims for members from other BCBS Plans with your local Plan.

Here are some key points to remember:

- Make a copy of the front and back of the member's ID card.
- Look for the prefix, alpha/alphanumeric characters, at the beginning of the member's ID number on the ID card.
- Call BlueCard® Eligibility at 1.800.676.BLUE (2583) to verify the patient's membership and coverage or submit an electronic HIPAA 270 transaction (eligibility) to the local Plan.

© Blue Cross and Blue Shield Association

- Submit the claim to Blue Cross & Blue Shield of Mississippi. Always include the patient's complete identification number which includes the prefix (three alpha/alphanumeric characters located at the beginning of the member ID).

  For claims inquiries, call Blue Cross & Blue Shield of Mississippi at 800-257-5825.
